

**New York Methodist Hospital
Pulmonary and Critical Care Medicine
Grand Rounds Speakers and Visiting Professors 2008-2009**

This is one aspect of our program for which we are very proud. Each year, nationally and internationally renowned experts in the field of Pulmonary and Critical Care Medicine are invited to come to NYM as Grand Rounds speakers and Visiting Professors. These speakers routinely spend the entire day with the division, giving multiple presentations, and sometimes participating in procedures.

<u>Date</u>	<u>Speaker</u>	<u>Affiliation</u>	<u>Topic</u>
February 22, 2008	Joseph Lynch, M.D.	University of California at Los Angeles	Pulmonary Vasculitis: Evolving Concepts in Treatment (Grand Rounds) HRTC Imaging of Diffuse Lung Disease & Lung Involvement with Collagen Vascular Disease
